

Collective Worship Planner- Summer 2021/22

Notes

- The guiding principles of all acts of worship should be to make them ***Inclusive – Invitational - Inspiring***
- All acts of worship should follow the four-fold structure of: ***Gather – Engage – Respond - Send***

Gather

Pupils to enter worship to reflection music and a question/object/picture which stimulates reflection

All worship to begin with a welcome and lighting the candle followed by the school prayer (Friday – The Lord’s Prayer) and the school values (call and response), vision and mission statement. The value of the term and Bible verse also to be shared.

Children to write a request to light the candle (must be linked to the theme of the week as displayed in class/hall)

Engage

All worship to focus on theme of week to give ideas for rainbow prayer responses.

Respond

All worship should give children the opportunity for reflection. This could be a question/quotation/bible /picture stimulus/object

Send

Pupils and staff to share The Grace before being dismissed

- Monday worship must introduce the theme and hymn/song of the week.
- For class based worship, please use the Church of England resources for each value found using the following link:
[I am a School Leader | The Church of England](#)
- Each week is highlighted with the liturgical colour. The colour of cloth on the table and in the classroom should correspond with this. The liturgical colour is also displayed on the bottom LHS of the title PowerPoint slide in Worship.
