Thursday 19th October 2017

Dear Parents,

Extended Services

I would like to remind you of the variety of activities, some old, some new, that we are able to offer your children after school. We are lucky enough to be able to offer a further club on a Thursday afternoon. This will be a **'SPY'** club and will include many different elements such as code breaking, producing spy gadgets made from a variety of materials, hidden Intel hunts and storytelling based on things such as The Great Train Robbery. The **Spy** club is open to children of all ages and will have a maximum number of **12**. Places will be offered on a first come-first served basis. The cost of this club will be £3.00 until 4.30pm and an additional £3.50 if your child would like to stay on after.

We will continue to offer a **'Sports'** club on Monday and Tuesday. Again, these clubs are now offered to children of all ages and have a maximum number of **20**. The sports offered will be weather dependent and will include netball, gym, hockey, basketball etc. In the event of inclement weather – the clubs will still go ahead indoors. There are currently places available in Friday **Dance** club that is also open to children of all ages.

If you would like to sign your child up for clubs until Christmas and they do not currently go to a club, please do so by Parentmail. If you have already paid for any of our extended services, your children should attend as normal.

Whether these clubs are able to continue into the spring, term will depend upon numbers. Please do take advantage of them, as we really want to offer a super range of after school provision to you and your children. Attached is a list of clubs available:

Yours sincerely,

Mr Ashley Scott
