Leadership Update #2

Dear Parent/Carer,

You will be aware from my previous correspondence this term that I have been providing leadership support at Pytchley CofE Primary School whilst their headteacher has been absent. The headteacher has now left the school and I have agreed to continue to provide support to the school for the remainder of this academic year.

As I mentioned before, I have been asked to do this because we have such a strong leadership team and indeed staff team at Cottingham CofE. With Mrs Delo and Mrs Wason increasing their responsibilities with regards to the effective day to day running of Cottingham, I am sure we can support another school whilst maintaining our own standards which is something I will not let slip. We will also ensure that high levels of teaching and learning remains a priority in all classes. As a result of this, Mrs Delo and Mrs Wason will become joint Heads of School for the remainder of the academic year.

Again, as stated previously, we have a highly committed staff team here at Cottingham; they have continued to demonstrate this, as always, over the last few weeks and my thanks go to each colleague.

Thank you, also, for your continued support and for working in partnership with the school. I must also mention the children who continue to excel and make us all proud of them. I will continue to be the Headteacher at Cottingham CofE during this time.

Have a lovely weekend, see you all next week.

Mr Scott
