

# HELP WANTED!

## WILLOW KITCHEN PROJECT

### SPONSORS

FRIDGE | FREEZER | OVEN

We would love to hear from anyone interested in donating towards the project or perhaps you are interested in sponsoring an oven, fridge or freezer for as little as £150 - 200? Perhaps you have or know a local business who could sponsor the whole project and have the kitchen named.

### FITTING

PLUMBER | CARPENTER | ELECTRICIAN | DECORATOR

Your help with taking out the old kitchen and fitting the new would be very much appreciated and would keep costs to a minimum. Can you give some time to help? We would love to hear from you and discuss the project further.

### DONATE

Perhaps you would like to contribute with a donation towards the project? Please watch this space for further information.

### PROJECT AIM

To replace the tired, adult size kitchen with a bespoke design for the children to enjoy cooking, food prep and DT. The kitchen would allow all children to work in a clean, safe environment and learn new skills. Sinks, at child friendly heights would encourage independence. Children could prepare, wash, clean their own snacks. Cupboards would provide safe locations to store medicines etc,
