

Cottingham CE Primary School

KS2 Pupils' Rules for Responsible Internet Use

The school has installed computers and Internet access to help our learning. These rules will keep everyone safe and help us be fair to others.

I will not access other people's files;

I will only use the computers for school work and homework;

I will ask permission from a member of staff before using the Internet;

The messages I send will be polite and sensible;

I will not reveal any information about myself or others;

To help protect other pupils and myself, I will tell a teacher if I see anything I am unhappy with or I receive messages I do not like;

I understand that the school may check my computer files and may monitor the Internet sites I visit.
