

Oak Class

Summer Term 2- 2020

Welcome Back

Welcome back! I hope you had a lovely and restful half term. Although learning may not be taking place in our classroom the hard work still continues. I am looking forward to seeing all the learning that will be taking place at home!

real PE PE

Please see the weekly home learning plan for real PE lessons picked by Mr Stafford that you can complete at home. How creative can you be? Please do send in pictures of the children having a go! Website:

Parent email: parent@cottingham-1.com

Password: cottingham

Don't forget that every week day from 9am Joe Wicks is providing daily workouts to help us keep fit and healthy in these times. You can access using the link

<https://www.youtube.com/thebodycoachtv>

Learning Quest

This term our learning quest is about The Victorians with the focus question: How did the Victorian age change the world?

In this new learning quest, Oak class will be finding out about what it was like for Victorian children at school and comparing it to school life now. We will be looking at the differences in lives for the rich and poor people of the Victorian era. We will be investigating what Victorian games were available and children will be given the opportunity to have go at making their own. We will be exploring the life of Queen Victoria and looking into the history and impact of the railways. The children will be looking into their local area (Corby) to discover what it was like in Victorian times. Our science units will allow children to develop their understanding of light and electricity by looking into shadows and Victorian inventors, with links to the use of street lights. We will also be looking at the unit of teeth throughout this quest. Children will have the opportunity to research the artist William Morris and his use of patterns, alongside completing Victorian art.

Love Reading

I have enjoyed seeing your tweets about what the children have been reading at home. Please keep them coming! Each week a link to a booklet will be sent out for the children to complete daily reading activities. Please also get children to write a review of a book they have been reading and share it with me! Do continue reading our books from the 100 recommended reading list for year 3/4 . Please follow the link to access them.

Collective Worship

Please feel free to share pictures and videos of the children participating in collective worship at home.

CARE-BUILD-FOLLOW-THINK

Literacy

For literacy please see the home learning packs for the different activities set. We will be looking at different texts/poems and having a go at writing our own. When writing, it is important to think about all the features we can show in our writing such as subordinating conjunctions, a variety of punctuation, using paragraphs, the list goes on!. For each weekly task Miss Hurn will specify which features we will be focusing on. Miss Hurn will also be on the lookout for some wonderful writers!

Homework

Children have received a list of year 3/4 spellings. Please practise these spellings daily. At the end of each week you could test your child on the current week's spellings.

Each week a piece of writing homework is set for children to complete and to be sent over by email to

ehurn@cottinghamprimary.co.uk by the 3pm of the Thursday every week. Miss Hurn will then respond to the pieces of work with an individual target before the next piece of work is due.

Numeracy

This term in Oak class our units are: Time, statistics and geometry. Please see the Home learning packs with the details of the maths tasks that Miss Hurn would like completing. This may be in the form of a booklet or worksheets. The links to the relevant units- <https://wrm-13b48.kxcdn.com/wp-content/uploads/2020/03/2020/03/Year-3-and-4-Mixed-Age-Guidance-Summer-Block-3-Statistics.pdf>

Daily MyMaths will also be set that correlates to the mastery whiterose scheme that we follow.

Timetables rockstars has also been set up for children to practise all their time tables.

Religious Education and French

In R.E, Oak class will be learning about the topic 'What are the deeper meanings of festivals?'

I have been very impressed with the enthusiasm the children have shown when learning French. This term the children will be learning the French unit of 'Our school'.

I would love to see videos of the children practicing their french from home!

Please follow @CottinghamCofE and @Miss_Hurn for daily news and updates regarding the super children at Cottingham CofE Primary School. It takes just a few minutes to log in and sign up.

Please do keep in touch during these difficult times. I love seeing pictures and hearing from the children as I do miss them all being in my classroom!

Any problems or queries do contact me via email ehurn@cottinghamprimary.co.uk
