

Welcome Back

Welcome back to a new term at Cottingham. I hope you have had a lovely and restful half term and are raring to go again. I want to say a big well done to all the children at home and in school! You have worked so hard through these difficult times. However, it is important that you continue your learning at home until it is safer to come back. Each day you will continue to be set 4 lessons with 1 lesson being a live zoom from myself! In the meantime please keep safe and do not hesitate to get in contact.

Significant person

This term we will continue to spend time learning about a significant person. This is a person who has had a strong impact on our way of life or culture and that we think would be important for the children to know about. For our third person this year, we have chosen Winston Churchill who is remembered for being the leader of Britain during World War Two and helped the British people stay strong and positive during tough times.

Class: Oak

Term: 4

Homework

During lockdown, Mymaths will continue to be set weekly. It is also important that you practice your timetables and spellings.

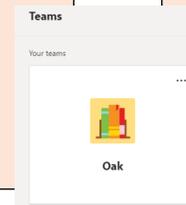

Quest: RRichard III vs Winston Churchill– you decide!

For our new learning quest this term we will be looking into the War of the Roses and comparing it to the Battle of Britain. This term we will be focusing on geography by looking at different European counties

Teams

For this term we will be using teams to access live lessons and complete work. Please log into teams from 11:05-12pm for our live literacy lessons. Work books and assignment pages will be set up so that work does not need to be sent via email but instead be submitted through teams.

PE days

It is important to stay active in these hard times. Mr Stafford has been in contact and will continue to set you challenges to stay active and healthy. Don't forget you all by now have your real pe logins and can access this at any point. Also Joe Wicks will be live 3 days a week as well!

Homework ideas

As always, we are sharing a range of ideas for you to support the children with their learning quest work at home. Our quest will be about The battle of Britain and The War of the Roses. To support your child at home you might like to research about these wars that happened.

We will also be looking at Richard iii and Winston Churchill. Your child could begin to look at who these important people are, find out why they are important and what impact they had on Britain.

You could also research different war time artists and have a go at recreating their famous pieces in your own style. Don't forget to send any art work in to Miss Hurn by email or twitter @Miss_Hurn so that I can put them up on display!
