

The Cottingham CofE fortnightly

Issue 5 – Week Ending 2nd December 2022

'The true light that gives light to everyone, was coming into the world.' John 1:9

Dear Parent/carers,

So much has happened and taken place since I last wrote to you. In the last 'fortnightly,' you found out about the wellbeing/active award that we achieved at the North Northants awards evening. You now know about the amazing award that Mrs Southcombe won. The Pearsons National teaching awards are a prestigious event and it still hasn't sunk in that our very own Mrs Southcombe won the GOLD award in the 'unsung hero' category. The coverage since winning the award has been crazy and far spread. From the One Show to the Evening Telegraph, the whole local community and further afield has found out about the award. I nominated Mrs Southcombe some time ago. Judging from all of the kind messages, I know that I made the correct decision. The award isn't just in recognition of what Mrs Southcombe does but also dedicated to the whole Cottingham community including staff, pupils, parents and of course the children. You may well have seen via various social media sources that the actual awards evening took place on Saturday in London. I was lucky to be able to join Mrs Southcombe and members of her family along with Mrs Wason, Mr Sharman and Mrs Ferguson. The trust CEO also joined us. It was a special 'Oscars' type evening and much fun was had. It was quite surreal seeing other gold award winners, whom I had seen on the One Show or via Twitter, at the event. All in all, an amazing celebration to honour what Cottingham CofE is all about.

As we enter the period of Advent, I would like to thank children and their families for the Christmas decorations that have been made at home and are now looking superb on our Christmas tree. I do hope to see many of you over the next few weeks during which time you can enjoy the tree and the decorations whilst listening to carols, guitars, choir and/or drums. As always, keep an eye on Twitter/Instagram/Facebook for news of events. I am looking forward to being able to dust down my Christmas jumper. It will be worn well at the end of term whilst also raising funds for Save the Children. Talking of raising funds, thank you for all of the donations towards our cake sale. The Magnificent Minds were very happy to be able to donate to Service Six, a charity that supports child welfare and one that often supports our own pupils. We also received thanks from the Corby Food bank for our donation of 96kg of food and other items collected at harvest. Well done to us all.

This week has highlighted that the children at Cottingham CofE receive a broad and well balanced curriculum. On Tuesday, I welcomed a school improvement advisor from the central team who observed history, science and DT taught by the staff. Today, I welcomed colleagues from Isham CofE who observed PE being taught. I am very proud of the curriculum that we offer our children and I do enjoy the opportunity to see learning in action. Children this week have visited East Carlton Park and the River Welland and will use the field trips back in class. I look forward to seeing the writing and data produced across the school. Thank you for supporting these visits and for the extra adult help too.

The lights are on in the hall, the star is at the top of the tree and the first advent candle has been lit. As they say, 'It's beginning to look a lot like Christmas.' Have a lovely week..See you soon.

- Friday 31st March 2023

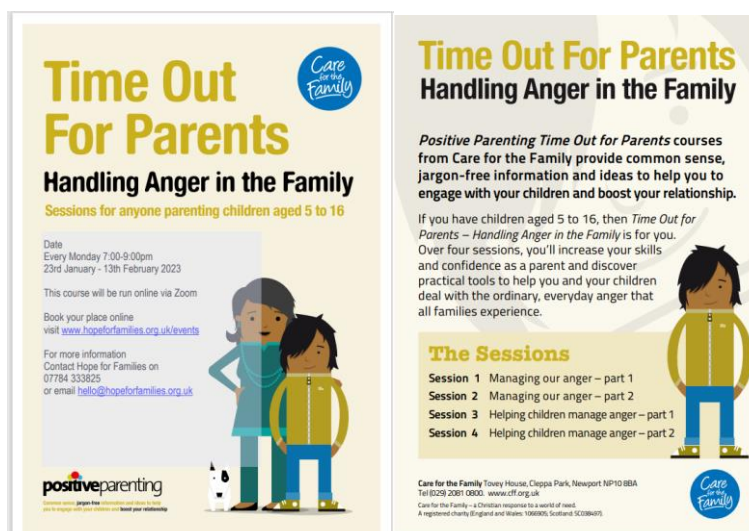

Additional Bank Holiday

An additional bank holiday in honour of the Coronation of His Majesty King Charles III will take place on Monday 8th May 2023. As this date had previously been announced as the first day of the 2023 key stage 2 (KS2) test week in England, a change to the KS2 test schedule next year will be necessary.

Ministers have considered the situation carefully and have decided that KS2 tests will take place in the same week with tests following the usual order but each taking place one day later than originally planned. As such, the new schedule will be:

- Tuesday 9th May: English grammar, punctuation and spelling (GPS) papers 1 (questions) and 2 (spelling)
- Wednesday 10th May: English reading paper
- Thursday 11th May: mathematics papers 1 (arithmetic) and 2 (reasoning)
- Friday 12th May: mathematics paper 3 (reasoning)

Magnificent Mind Cake Sale

Thank you to all of the MMT who stayed to help at the PTFA pre-loved uniform and cake sale. The profits were divided by 50% - the MMT will donate their money to Service 6 – a Children's Mental Health Charity. Thank you to all those that supported the sale. The yummy cakes didn't last long and we hope that you managed to purchase some pre-loved uniform.

Sports Update

In the last edition of the 'fortnightly' we told you about gold and silver winning success at the year 3/4 hockey event. Since that, the year 5 team has also returned from a similar event with silverware. One of our teams finished second only on goal difference. It was an exciting event and the children in both teams show good team work and also skills taken from their REAL PE lessons. We will certainly require a new trophy cabinet at this rate. We are already looking ahead to the spring term to see which competitions and events can be entered. At Cottingham CofE, it is not always about the winning but ensuring that all children have opportunities to represent the school.

We will also be hosting more 'sports try outs' during the year, with a skateboard try out being mentioned along with Frisbee! Watch this space.

GOLD AWARD

A few pictures to act as a little reminder of the super Gold award that was presented to Mrs Southcombe by the One Show's Alex Jones. It was a pleasure to welcome Alex and the One Show crew to school for the celebration. Thank you to the whole Cottingham community for your part that was played in achieving this award.

DT Pneumatics

The designers of the future were busy in Oak class this week as they enjoyed investigating pneumatics. They observed lots of different air blowers and will use some of their findings when designing their own toy during the next part of their journey. Watch this space!

Geographers

We have many resources in school that are used to help learning in all subjects. In Geography, it is very important that children visit local landmarks, and this week, KS2 did just that. The field observations will be taken back into school and have already aided learning in maths for example.

PLACES AVAILABLE

We have a few spaces available in both year 2 and 5 at the moment. We would appreciate you passing on this information and also reminding family and friends that they are welcome to visit us especially if looking for school places for September.
